Reference Form

Trip: _____

Applicant's Name: _____ Date: _____

Directions for applicant:

Please give this form to the person identified on your application as a reference.

Directions for the person providing the reference:

The person who gave you this form has applied to participate in a mission trip with a team from MISSIONSPORTS. Because of the amount of preparation and work involved for a team such as this, we want to have growing individuals on our team. While no person has "arrived", as it were, to spiritual maturity, we do want to see progress to that end. Those who are struggling in various areas of their life need help to change. This application and recommendation process can be a tool of blessing to help the applicant become more like Christ.

Due to your relationship to the applicant, your reference is important to us. If you do not know the applicant well enough to make a recommendation, please return this form to them.

When the form is complete, please mail it to our office:
